

(a) Impact of increasing GB interconnection on carbon emissions in scenario 2025 Coal before Gas

(b) Impact of increasing GB interconnection on carbon emissions in scenario 2025 Gas before Coal

(c) Impact of increasing GB interconnection on carbon emissions in scenario 2025 Coal before Gas with GB carbon Levy

(d) Impact of increasing GB interconnection on carbon emissions in scenario 2025 Gas before Coal with GB carbon Levy

Fig. 1. Impact of increasing GB interconnection on carbon emissions in the four scenarios for the year 2025
